Received notification from RCD that MARCHAND had called because she was concerned about seeing two males who had been continuously walking past her residence. The males were described as being between the ages of 16 and 20 years old, one was white and the other was black. They were last seen walking S/B on Post Road towards Lovering Road. We responded and after checking the area, we were unable to locate either subject. I also spoke with the MARCHAND and she was concerned that the male subjects may've been "casing" the residence.
